C/S ACROVYN® IMAGINE - WALL AND IMAGE PROTECTION

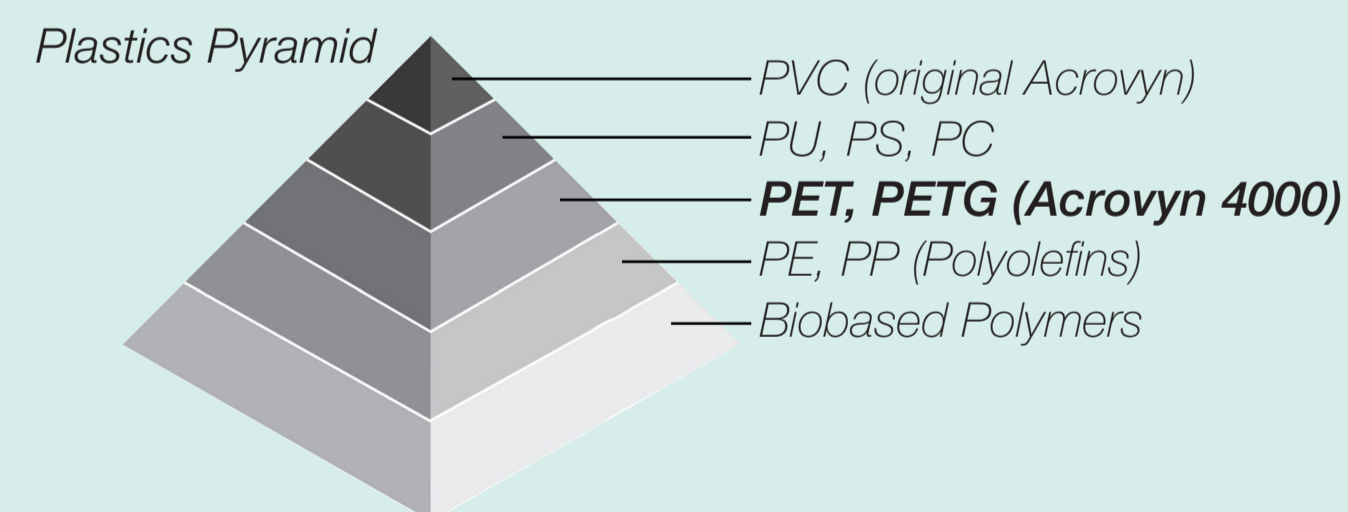

ONE PRODUCT, THREE TYPES OF OUTCOMES. C/S ACROVYN® IMAGINE PANELS CONTRIBUTE TO ACHIEVING:

ENVIRONMENTAL AIMS

The **Acrovyn® 4000** compound was carefully designed to be as healthy as possible for people and the environment. Without sacrificing performance that healthcare environments demand.

- 🌱 PVC-free
- 🌱 Free of PBTs (Persistent Bioaccumulative Toxins), BPA (Bisphenol A) or other harmful chemicals
- 🌱 100% re-useable/recyclable

Durable and long-lasting, **Acrovyn® 4000** offers additional benefits to end users:

- 🌱 Extended lifecycle of building fabric
- 🌱 Faster installation/replacement techniques
- 🌱 Ease of cleaning and maintenance

C/S ACROVYN® IMAGINE PANELS ARE MANUFACTURED FROM OUR ACROVYN® 4000 MATERIAL.

SOCIAL AIMS

Multiple studies have provided evidence of the benefits of incorporating art in healthcare environments.

- 😊 Less institutional interiors improve the well-being of patients, staff and visitors
- 😊 Art improves patient health and recovery, including clinical outcomes (such as reduction of stress, blood pressure, heart rate, length of hospital stay and perception of pain)
- 😊 Art helps create a quality work environment for staff, which can support staff recruitment and retention

ACROVYN® IMAGINE PANELS HELP TO CREATE HEALING AND INSPIRING HEALTHCARE ENVIRONMENTS.

FINANCIAL AIMS

Acrovyn® Imagine Panels offer asset protection and significantly reduce spending on maintenance budgets.

- € Capital & maintenance budgets streamlined
- € Alternative ways to finance wall protection:
 - Wall Protection Performance Contracts
 - Leasing
- € Improved cash-flow – better management of spending

ACROVYN® IMAGINE PANELS PROTECT HEALTHCARE FACILITIES AND BUDGETS.
